

ENTRIES CLOSE 10AM MONDAY, 12TH AUGUST 2019

ROSS REGATTA Weekend 2019

SATURDAY 24TH AUGUST

DRAGON BOAT RACING 1:00-6:00pm

Course - 200m downstream
Entry forms available for download on the club website

SUNDAY 25TH AUGUST

ROSS MASTERS & JUNIORS SPRINT

Course - 550m downstream
Staggered start and finish.

MONDAY 26TH AUGUST

ROSS OPEN REGATTA

Course - 750m downstream
Staggered start and finish

Morning & Afternoon Divisions - Racing starts from 8.30am on both days, subject to draw. **No doubling up of any kind (competitors, coxes, equipment, boats) within a division.** Masters events may be amalgamated at the discretion of the Organising Committee. Handicaps will be used for all amalgamated Masters events. Open, Women and Junior may be banded according to the new competition framework using the Personal Ranking Index System if numbers allow. Awards to be presented after win rather than at end of racing.

¹Boys and Girls will compete together as J12

We very much welcome competitors with either visual or hearing impairments (inform Regatta Secretary at time of entry)

VICTOR LUDORUM Prize will be awarded to the club which has accrued the most points competing during Monday's Regatta
All ENTRIES & PAYMENTS MUST BE MADE ONLINE USING BROE2

Entry fees £10.50 per seat. ONLY FULLY PAID ENTRIES WILL BE DRAWN

Entries close 10am Monday 12th August (Entries will be suspended when full). Certain events will be automatically amalgamated if there are not enough entries to run both events. Please state any preferences with entry - we will try to accommodate within reason.

The draw will be held at Ross Rowing Club at 10:00am on 17th August.
The draw will be published on 19th August.

Enquiries to Ollie Regatta Secretary via email:
regattasecretary@rossrowingclub.co.uk
Telephone enquiries: 07716 151933

It is the responsibility of every individual (or responsible person) competing in this event to undertake their own personal risk assessment to ensure, to the best of their knowledge, that their physical health on the day and their technical competence in their boat is sufficient for them to cope safely with the physical demands of the competition, having taken account of the prevailing conditions when they go afloat.
