NOTES:

The Organising Committee of Ross Regatta believes that the welfare and wellbeing of all children is paramount. All children, regardless of age, gender, ethnicity, religion or ability, have equal rights to safety and protection.

All suspicions, concerns and allegations of harm will be taken seriously and should be reported without delay to a Ross Rowing Club volunteer or Regatta Official, whereupon they will responded to swiftly and appropriately in accordance with the Regatta Child Welfare Plan.

In order to effect best management of matters arising in relation to child athletes, all clubs entering junior athletes (including coxes) will be required to provide the name and mobile telephone number of at least one club representative assuming responsibility for these children. These details will be requested at the point of registration on each day of the event, and will not be used for any other purpose.

Clubs are reminded that Ross Rowing Club is not responsible for the supervision of anyone who may be camping at the event. This is a shared public place and standard emergency services or authorities can and should be contacted as appropriate to any situation. Clubs must ensure any of their members are appropriately supervised.

Any unacceptable behaviour reported to the Organising Committee may result in individual athletes, crews and/or clubs being removed from the event irrespective of any action taken by the relevant authorities.

The Regatta Welfare Officer is available between an hour before the start of racing and an hour after the end of racing each day.
