

## ROSS REGATTA 2023

Sunday 27<sup>th</sup> August – Monday 28<sup>th</sup> August

### EVENT REJECTION POLICY

Entries close at 10pm on Friday 11<sup>th</sup> August. Entries are capped at ~200 events each day and entries may be suspended/closed early if oversubscribed.

The Organising Committee reserve the right to amend, update, merge or reject entries for the benefit, safety and wellbeing of all competitors and smooth-running of Ross Regatta 2023.

#### Event Rejection

Whilst the Organising Committee will do their best to accommodate all competitors, entries may be rejected or amended if, for example:

- there is no opposition for an event
- the race is a straight final where crews have a large differential in CRI ranking.
- we are trying to prioritise the maximum number of entries per race, so should the regatta be oversubscribed we may reject smaller boats first (i.e. singles).
- we will operate a substitution/reserves list: please let us know if you wish to be added to this.

#### Masters Racing

Only two age categories will be combined if required to create opposition e.g. Masters C/D, Masters F/G. The committee will organise Masters' racing using the handicap system.

#### CRI Ranking

Where possible, crews' CRI ranking will be taken into consideration in order to create fair and equal opposition.

#### Refunds

Should the Regatta be cancelled, a full refund will be given. If a crew is rejected by the Organising Committee a refund of entry fees will be given. If a crew scratches a refund may be given, depending on the circumstances.
