#### NOTES:

The Organising Committee of Ross Regatta 2023 believes that the welfare and wellbeing of all children and vulnerable adults is paramount.

In order to effect best management of matters arising in relation to child or vulnerable adult athletes, we request all clubs entering junior athletes (including coxes) or vulnerable adults to provide then name and telephone number of at least one club representative assuming responsibility for these children or vulnerable adults. These details will be requested at the point of registration and will not be used nor stored for any other purpose. **The form can be printed off from the web site and brought to Crew Registration to save time on the day.**

All suspicions, concerns and allegations of harm or wrongdoing will be taken seriously and should be reported, without delay to a Regatta Official or RRC member, whereupon they will be responded to in accordance with the Child Welfare Plan. The Ross Rowing Club Welfare Officer is available and may be contacted via Registration.

Clubs are reminded that Ross Rowing Club is not responsible for the supervision of anyone who is camping at the event. This is a shared public place and standard emergency services or authorities should be contacted as appropriate to any situation. Clubs must ensure any of their members are appropriately supervised.

Any unacceptable behaviour reported to the Organising Committee may result in individual athletes, crews and/or clubs being removed from the event irrespective of any action taken by the relevant authorities.

First Aid can be called via any Marshal or Umpire for EMERGENCY SERVICES dial 999 or 112. There is Defibrillator at Ross Rowing Club Boathouse.
